\*Recording business activities and premises: Business Registration Act (Law no. 18/2014) requires registered businesses to obtain the necessary permits and licenses from the relevant government agencies prior to carrying on any commercial activity.

Business activities regulated by other government agencies are notified to the Registrar of Business by the respective government agency in accordance with Section 10 (a) of the Business Registration Act. Information on business activities regulated by other government agencies are recorded in this Profile Sheet to the extent data is made available.

If the business activity is not regulated by any other government agency, the selected business activity is recorded whenever notified to the Registrar of Business.

#### **OTHER REGISTRATIONS**

{ There are no other registrations. }
